TOUR HIGHLIGHTS

MOSCOW

0 KM | Москва

Time zone: Moscow time

Our touring programme of Moscow principally takes us to the grandeur of the Kremlin – the spiritual, historical and political heart of Moscow – and to see the treasures of the Tsars in the Armoury Chamber. We also visit Red Square, an iconic symbol of Russia's former military and political might with its eclectic mix of fascinating architecture, such as the ornate St Basil's Cathedral's magnificent onion-domed spires, the beautiful façade of the world famous GUM department store, constructed in Tsarist times, and the sombre and evocative site of Lenin's tomb.

With our *Freedom of Choice* touring option you may instead wish to travel out of the city centre to Sergiev Posad, home to one of the most beautiful monasteries in Russia and the historical and spiritual centre of the Russian Orthodox Church or visit the famous State Tretyakov Gallery (National Museum of Fine Art).

Our *Golden Eagle* train, on selected departures, will be hauled by a Russian steam locomotive for the first/last section of the journey. With the opportunity to photograph the locomotive in Moscow Kazansky Station it makes for an unforgettable way to start, or end, your journey onboard Russia's premier train, the *Golden Eagle*.

Included in our time spent in Moscow is one night at the five-star Marriott Royal Aurora, or similar. Located in Moscow city centre, and

within walking distance of Red Square and the Bolshoi Theatre, this luxury hotel offers spacious accommodation with butler service for each guest room – the only hotel in Moscow to offer this fine service.

Why not extend your stay in Moscow with additional nights to explore more of the city at your leisure or have time to take in a performance at the world-renowned Bolshoi Theatre? *Tickets need to be pre-booked and are subject to schedule and availability.*

Kazan Kremlin

KAZAN

820 KM | Казань

Time zone: Moscow time

Situated on the River Volga, the picturesque and historic city of Kazan is the capital of Tatarstan. Here we have the opportunity to see for ourselves its rich tapestry of history and culture. One of the highlights of this city tour is our exploration of the Kremlin Fortress, a UNESCO World Heritage Site. Within the walls of this ancient citadel we will explore its stunning mosque and picture-perfect onion-domed cathedral.

As Kazan is the birthplace of one of Russia's most famous opera singers, Feodor Chaliapin (1873-1938), we honour his memory with a private concert of his music. You will also have time to wander through the main pedestrian area of Kazan and immerse yourself in the atmosphere of the city.

YEKATERINBURG

1814 KM | Екатеринбург

Time zone: Moscow time + 2 hours

Founded in 1723 by Peter the Great, Yekaterinburg, is the capital of the Urals. Known as the Great Divide, the Ural Mountains create the natural border between Europe and Asia so that the cultural and architectural influences of European and Asian civilisations come together in this fascinating and cosmopolitan landscape. Our city tour takes us to the poignant site where the Romanov, Tsar Nicholas II of Russia, was executed with his family by the Bolsheviks in 1918 following 78 days of imprisonment. Now a church dedicated to their memory, this site provides us with a powerful insight into the turmoil of the Russian Revolution.

Our *Freedom of Choice* programme will also offer activities such as a walking tour of the city, or explore the intriguing Soviet military past in a visit to Yekaterinburg Military Museum which displays fragments of the U2 American spy-plane flown by Gary Powers that was shot down in this area in 1960 during the Cold War.

NOVOSIBIRSK

3336 KM | Новосибирск

Time zone: Moscow time + 3 hours

A modern 'Soviet' city, we experience the life and character of Novosibirsk's rich culture where the arts and science predominate. The city is located in the heart of Russia and is situated on both banks of the River Ob. Our city tour takes us to Lenin Square where the imposing Opera House is located. An architectural marvel, it houses two permanent ballet and opera companies and is one of the largest opera houses in the world. In front of the Opera House, we visit an impressive statue of Lenin – a marvellous opportunity to have your photograph taken with this iconic political leader.

Alternatively, south of the city you could visit Novosibirsk's excellent Railway Museum on our *Freedom of Choice* tour. The museum displays locomotives and rolling stock from the late 1800s, including carriages of the Tsars, through to the Soviet era. Or choose to go to the Mineralogical Centre with its fine display of Siberian minerals.

For those interested in art there is also the *Freedom of Choice* option to visit the State Art Museum with an extensive collection including icons, Siberian art and numerous distinctive mountainscapes by celebrated spiritual Russian painter Nicholas Roerich. It also displays temporary art and photography exhibitions by local and international artists.

IRKUTSK

5185 KM | Иркутск

Time zone: Moscow time + 5 hours

Our visit to Irkutsk, the 'Paris of Siberia', takes in the most significant sites and museums in this fascinating city, including an exploration of the classic wooden architecture with its intricately carved lace-like decorations that has given many of this region's buildings such a distinctive and unique appearance.

We also visit the Volkonsky House Museum, which is dedicated to the memory of the aristocrats who were exiled to this remote outpost after the failed Decembrists uprising of 1825, and we recreate the atmosphere of that time with a champagne reception and private concert.

You could learn to cook some traditional Russian dishes with a local chef and prepare your own lunch with our *Freedom of Choice* option. Or you might also wish to visit a traditional Russian Dacha (summer house) or an urban apartment to get an insight into the everyday life of an average Russian family.

LAKE BAIKAL

Озеро Байкал

Time zone: Moscow time + 5 hours

Few natural sights can surpass the beauty and grandeur of Lake Baikal and is a major highlight on our Trans-Mongolian journey. Lake Baikal is the deepest lake in the world and holds 20 per cent of the world's freshwater. Also known as the 'Pearl of Siberia' it is home to a unique breed of freshwater seal and over 50 species of fish including omul. For five hours we wind our way through tunnels along cliff hugging tracks above the lake with a vista of snow capped peaks along the far shore forming a picture-perfect backdrop.

Weather permitting, we stop in an extremely picturesque location by the lake for photographic opportunities and for the brave hearted there is time for a refreshing swim in the crystal clear and ice-cold waters of Baikal. Travelling onwards to the end of the Baikal branch line, we leave the train and travel by boat on the lake to Listvyanka, a small Baikal settlement nestling at the base of the surrounding hills and visit the Lake Baikal Museum and Aquarium where you can learn about the flora and fauna of the lake.

We will enjoy a delicious barbecue, including freshly smoked omul fish, prepared by our own chefs on the shore of Lake Baikal to complete

a memorable day. As part of our *Freedom of Choice* excursion programme you can choose a hiking opportunity that offers some spectacular and panoramic hillside views of the lake below.

The President's Tour departure features an enhanced programme throughout, including an extra night in the beautifully scenic location of Lake Baikal where we include a private lake cruise and time to relax at a traditional Russian Banya (sauna). For this special anniversary celebration we will also provide steam haulage for our train along the shores of the lake, a once-in-a-lifetime experience.

ULAN UDE

5640 KM | Улан-Удэ

Time zone: Moscow time + 5 hours

The ethnic and cultural diversity of Ulan Ude, the capital of the Buryat Republic, offers a unique insight into its heritage. As we tour the area you will notice the different faces of these welcoming Buryat people. During our exploration of the Old Believers' Village we have the opportunity to learn about the culture and history of these religious people as we are treated to a concert featuring local traditions and folk singing.

Ulaan Baatar

Gandan Monastery, Ulaan Baatar

ULAAN BAATAR, MONGOLIA

Улан Батор

Time zone: Moscow time + 4 hours

Our Trans-Mongolian adventure takes us into Mongolia and a visit to its capital, Ulaan Baatar. Mongolia, once the very centre of an enormous empire led by Genghis Khan, is a country of beautiful landscapes and nomadic people, rich in culture and history. Mongolia is famous for its endless green Steppes, grazing livestock and white, nomadic Gers (Yurts) dotted all across the countryside.

We start the tour at Gandan Monastery, one of Mongolia's most important Buddhist Monasteries housing a community of over 500 monks. The full name, Gandantegchinlen, translates as 'the great place of complete joy'. At Sukhbaatar Square we can see the central monument to Genghis Khan; undoubtedly the most feared and revered Mongol.

Alternatively there is an option to drive out of the city to the Gorkhi-Terelj National Park and enjoy the beautiful scenery of wild Mongolia as part of our *Freedom of Choice* tour, having the opportunity to visit a traditional Ger and meet a nomadic family or try our hand at horse-riding, an intrinsic part of Mongolian life.

In the evening we will enjoy a performance of traditional Mongolian throat singing and contortionists.

Wrestling, Naadam Festival

THE NAADAM FESTIVAL

ULAAN BAATAR, MONGOLIA

Фестиваль Наадам

This is a unique opportunity to be among the few non-Mongolians to experience the spectacular, but little known, Naadam Festival and soak up the exciting atmosphere of this national holiday. Once a religious ceremony, the festival now formally commemorates the 1921 revolution when Mongolia declared itself a free country. In recent times, women have been allowed to enter and they now compete in two of the three events, horse racing and archery.

On the first day of the festival, we observe the elaborate opening ceremony which consists of local dancers, athletes, horse riders and musicians, before travelling outside Ulaan Baatar to watch the national horse race. The competitors in the riding events are all children between five and twelve, many of whom have been in the saddle since the age

of one. As they race along the plains for 20 kilometres, thousands of spectators line the remote track to watch up to 1,000 horses with children sitting confidently astride their small but sturdy Mongolian steed. It is claimed such equestrian skills won Genghis Khan an empire that stretched from the Sea of Japan all the way to Europe.

On the second day of the festival we will attend the archery, wrestling and ankle-bone shooting events.

Due to the popularity of the period around the Naadam Festival we reserve accommodation for our guests at a number of the best hotels in Ulaan Baatar including the Kempinski and Ramada. *Please note, we cannot guarantee your preferred choice of hotel.*
